

Venue

International Congress Center Dresden
Ostra-Ufer 2 | 01067 Dresden, Germany

Congress Chair

Prof. Dr. Uwe Völker

Interfaculty Institute of Genetics and
Functional Genomics
University of Greifswald, Germany

Congress Co-chairs

Prof. Dr. Ruth Huttenhain

Department of Molecular and Cellular Physiology
Stanford University of Medicine, USA

Prof. Dr. Bernd Wollscheid

Head of Institute of Translational Medicine
Department of Health Sciences and Technology
ETH Zürich, Switzerland

Important Dates

Deadline Abstract Submission	May 31
First Notification of Abstract Authors (accepted/rejected)	June 10
Final Notification of Abstract Authors	July 08
Deadline Early Bird Registration	July 15

Stay up to date

HUPO

DRESDEN, GERMANY 2024

OCT 20-24

**23rd HUMAN PROTEOME
ORGANIZATION WORLD CONGRESS**

Abstract topics

- ▶ Cell Biology Insights
- ▶ Chemical Biology Insights
- ▶ Clinical Proteomics
- ▶ Data Integration: With Bioinformatics to Biological Knowledge
- ▶ Defining Signaling Networks – Functional PTMs
- ▶ Glycobiology Insights
- ▶ Human Health Insights (Neurobiology, Cardiovascular, Liver, Kidney etc.)
- ▶ Immunopeptidomics
- ▶ Infectious Biology Insights
- ▶ Microbiology and Microbiome Analysis
- ▶ Multiomics Approaches
- ▶ New Technology:
 - AI and Bioinformatics in Mass Spectrometry
 - Chromatography
 - MS-based Proteomics
 - Non MS-based Proteomics
 - Sample Preparation
- ▶ One Health Approaches (Plant, Food, Nutrition, Animal, Environment)
- ▶ Organisation of the Proteome (PPI)
- ▶ Population Proteomics in Health and Disease
- ▶ Spatial and Imaging Proteomics
- ▶ Structural Proteomics

The abstract deadline
of May 31 will not be
extended!

Why you should absolutely be attending

Over
→ **1000**
participants

From over

35

countries

700
Expected abstracts

More than
600
posters

21  Different topics

About **100**
travel awards

Please visit 2024.hupo.org to find all relevant information and frequently asked questions about the abstract submission.
